

CURRICULUM VITAE

Name	Michela
Surname	Conti
Date of birth	13 th August 1975
Contact	michela.conti@univr.it

POSITION TITLE: Researcher
Section of Infectious Diseases
Department of Diagnostic and Public Health
University of Verona

c/o Policlinico “G.B. Rossi” Hospital
p.le L.A. Scuro 11, 37134 Verona (Italy)

EDUCATION

-2000 graduation in Medicine with honours (110/110 cum laude). University of Pavia (Italy)
-2005 degree in Infectious and Tropical Diseases (50/50 cum laude). University of Pavia (Italy)

POSITIONS

-2010 → present: Confirmed Researcher at Dpt. of Diagnostic and Public Health-Section of Infectious Diseases-University of Verona
-2007-2010 Confirmed Researcher at Dpt. of Diagnostic and Public Health-Section of Infectious Diseases-University of Verona
-2007 → present: MD at Infectious and Tropical Diseases Unit, Azienda Ospedaliera Universitaria Integrata of Verona (AOUI-Verona)
-2006: Post-specialisation fellowship

TEACHING ACTIVITIES

-2007 (ongoing) Member of the Faculty Committee of the Post-graduate Specialization in Tropical and Infectious Diseases. University of Verona-Verona
-2008 (ongoing) professor of Infectious Diseases, Degree in Medicine and Surgery. University of Verona

-2009 (ongoing) professor of Infectious Diseases, Bachelor's degree in Nursing. University of Verona-Location: Legnago

-2014-2017 Member of the Faculty Committee of the PhD in Applied Life and Health Sciences. University of Verona

-2009-2010 professor of Infectious Diseases, Bachelor's degree in Nursing. University of Verona-Location: Vicenza

-2010 professor of Infectious Diseases applied to sports. Bachelor's Degree in Sport and Exercise Sciences. University of Verona-Verona.

-2010 (ongoing) professor of Infectious Diseases in numerous hospital training courses

-2010 (ongoing) participations to about 20 national meetings

SUPERVISION OF GRADUATE STUDENTS

from 2010 till now

-six graduate students-Degree in Medicine and Surgery

-six graduate students-Bachelor's Degree in Nursing

PROJECT

-2008 PRIN (National Italian Ministry Research Grant). Project title: "Mycobacterium tuberculosis and natural immunity interaction: the relevance in the immunity specific response". Role: co-investigator.

-2009-2010 EU-CORESM: European CUBICIN® Outcomes Registry and Experience for the Treatment of Serious Gram-positive Infections. Role: sub-investigator

-2018: AOUI VERONA-University of Verona. Stewardship Antibiotica Verona (SAVE). Role: sub-investigator
