

CURRICULUM VITA

ELISA AMBROSI
RN, MSN, PhD

Revised: December, 2019

Current Title & Organization: Senior assistant professor (fixed-term), Department of Diagnostics and Public Health, University of Verona

National Scientific Qualification as Associate Professor in Nursing awarded on December 2017.

EDUCATION:

<u>Dates</u>	<u>Institution and Location</u>	<u>Date/Degree</u>	<u>Major</u>
2002-05	University of Verona Verona, Italy	BS	Nursing
2006-08	University of Verona Verona, Italy	MS	Nursing
2011-13	University of Verona Verona, Italy	PhD	Education
2013	University of California Los Angeles, California	Course N205C at Doctoral Program in Nursing	Advanced Qualitative Research Methodology (IV weeks)

CLINICAL NURSING EMPLOYMENT HISTORY:

<u>Dates</u>	<u>Institution and Location</u>	<u>Appointment Title</u>
February – October 2019	Department of Medical and Surgical Sciences, University of Bologna, Italy	Senior assistant professor (fixed- term)
September 2017 – January 2019	Department of Medical and Surgical Sciences, University of Bologna, Italy	Junior assistant professor (fixed- term)
2014- August 2017	School of Nursing Centre of Higher Education for Health Sciences Trento (Italy)	Clinical Teacher
2006-2008	Santa Chiara Hospital, Trento, Italy	Oncology Staff Nurse

PROFESSIONAL ACTIVITY:

University of Verona, Department of Public Health and Community Medicine

2008-2011 Research Assistant at the Nursing Research Unit

2010 (January to March) Visiting Scholar at McMaster University, Hamilton, Ontario, Canada

Journal Reviewer:

2019 - Journal of Nursing Management

2018 -present- International Wound Journal

2017 -present - Social Work in Health Care

2017 -present - Assistenza Infermieristica e Ricerca

2016 -present -International Journal of Nursing Studies

2016 - present - British Medical Journal

2015 – present - BMC Nursing

2016 - present -Journal of Hospital Medicine

2012 - present - Qualitative Health Research

2013-present Contributor of the Italian Nursing Journal "Assistenza Infermieristica e Ricerca" (NLM 100901776, ISSN 1592-5986).

2015-present Member of the editorial board (Associate Editor) of the International Journal “BMC Nursing”.

PAPERS AND PRESENTATIONS:

2009	“The influence of Organizational Commitment on Italian nurses’ turnover intentions – from 5 Italian hospitals” (oral presentation) International Nursing Research Conference, Cardiff, Galles, March 23- 25, 2009
2012	“Nurses’ meaning of caring with patients in Italian hospital Settings: a phenomenological study” (oral presentation) 2 nd Global Congress on Qualitative Health Research, Milan, Italy, June 28-30, 2012
2012	Le percezioni e i comportamenti di caring degli studenti di infermieristica: uno studio longitudinale [“Caring Perceptions and Behaviours of nursing students: a longitudinal study”] (poster presentation) SIPEM (Società Italiana di Pedagogia Medica), Ricercare apprendere e curare, Garda (Verona), Italy, November 15-16, 2012
2013	“Come gli infermieri descrivono il caring” [“How nurses describe caring”] Gesti e Pensieri di cura [Caring Gestures and Thoughts], Verona, Italy, October 10 (oral presentation and member of the Scientific Committee) In addition to presenting my research, I created, initiated and organized plans for the vision, purpose and substance (all speakers) at this congress, sponsored by the Department of Public Health and Community Medicine and Department of Philosophy, Education and Psychology, University of Verona
2015	“Apprendere dalla narrazione degli infermieri” [“Learning from nurses’ narratives”] (oral presentation) ANIMO-FADOI- Azienda Provinciale per i Servizi Sanitari di Trento, L’evoluzione della cura in medicina, Trento, Italy, March 26, 2015
2016	“Development of caring perceptions and behaviors in nursing students” (oral presentation)

	24 th Florence Network Annual Meeting, Trento-Verona, Italy, April 19-22, 2016
2016	“Fluid therapy in hospitalized patients: a cross-sectional study” (poster presentation) 24 th Florence Network Annual Meeting, Trento-Verona, Italy, April 19-22, 2016
2018	Ambrosi E. “Developing a new questionnaire to measure nurse caring behaviours: a mixed method study (invited speaker).” 5th Annual Conference and Awards Ceremony, European Society For Person Centered Healthcare. London, England, 5-8 December, 2018
2019	Ambrosi E, Canzan F. “Storia di caring (invited speaker).” Storie di ricerca, Università degli Studi di Bologna. Bologna, Italy, 31 May, 2019
2019	Ambrosi E. “La continuità delle cure da parte del caregiver informale durante l’ospedalizzazione (invited speaker).” 64° Congresso Nazionale Società Italiana di Gerontologia e Geriatria. Roma, Italy, 27-30 November, 2019

RESEARCH ACTIVITIES:

Co-Investigator, Ex Department of Public Health and Community Medicine, University of Verona

2008-2011

Funded Study Led by Principal Investigator: Luisa Saiani, Associate Professor

Title of Study: Nurses’ turnover intentions: individual, occupational and organizational characteristics.

Description: Under the mentorship of Professor Luisa Saiani, I collaborated to design, collect data, analyze and interpret results, and write manuscripts for publication on our findings related to 1295 Italian nurses.

Co-Investigator, Department of Philosophy, Education and Psychology, University of Verona

2008-2011

Funded Study Led by Principal Investigator: Luigina Mortari, Full Professor

Title of Study: Nurses’ caring perceptions: a qualitative study.

Description: Under the mentorship of Professor Luigina Mortari, I collaborated to design, collect data, analyze and interpret results, and write one book and two manuscripts for publication on our findings related to 240 Italian nurses.

Co-Investigator, Centre of Higher Education for Health Sciences, APSS Trento

2010-2011

Funded Study Led by Principal Investigator: Anna Brugnolli, Director of Centre of Higher Education for Health Sciences

Title of Study: Securing of naso-gastric tubes in adult patients: a systematic review

Description: I collaborated to design, collect data, analyze and interpret results, and write one manuscript for publication on our findings.

Co-Investigator, Department of Diagnostics and Public Health, University of Verona 2011-present

Funded Study Led by Principal Investigator: Luisa Saiani, Full Professor

Title of Study: Nursing outcomes: an observational study in the Medical Units of 12 Hospitals.

Description: Under the mentorship of Professor Luisa Saiani, I collaborate to collect data, analyze and interpret results, and write several manuscripts for publication on the findings related to Italian patients.

Principal Investigator, Department of Philosophy, Education and Psychology and

Department of Diagnostics and Public Health, University of Verona

2012-14

(Unfunded study)

Title of Study: Development and validation of the CARE-Italy questionnaire on nurse caring behaviours.

Description: I design, collect data, analyze and interpret results, and write one manuscript for publication on the findings related to Italian nurses.

Principal Investigator, Department of Philosophy, Education and Psychology, University of Verona

2011-2015

Doctoral Research Project (Unfunded study)

Title of Study: Caring perceptions and behaviors of nursing students: a longitudinal study

Description: I design, collect data (the same cohort was followed for three years), analyze (using a phenomenological approach) and interpret results, and discuss my PhD dissertation on the findings related to 31 Italian students.

Co-Investigator, Department of Philosophy, Education and Psychology, University of Verona

2013-present

Funded Study Led by Principal Investigator: Luigina Mortari, Full Professor

Title of Study: The Meaning of Caring in Nursing Science among Patients

Description: Under the mentorship of Professor Luigina Mortari, I collaborate to design, collect data, analyze and interpret results, and write two manuscripts for publication on our findings related to 90 Italian patients.

Co-Investigator, Centre of Higher Education for Health Sciences, APSS Trento

2014-2017

(Unfunded study)

Title of Study: Management of fluid therapy in hospitalized patients: a cross sectional study.

Description: I collaborated to design, collect data, analyze and interpret results, and write one manuscripts for publication on our findings.

Co-Investigator, AOUI Verona

2016-present

Funded Study Led by AOUI Verona-

Title of Study: Unused Peripheral Venous Catheter in hospital: incidence and associate factors.

Description: I collaborate to design, collect data, analyze and interpret results.

Co-Investigator, Caring Education Research Center (CERC), University of Verona

2016-present

Funded Study Led by Caring Education Research Center (CERC)

Title of Study: Physical restraints in Nursing Home

Description: I collaborate to design and collect data.

Co-Investigator, University of Bologna

2017-present

(Unfunded study)

Title of Study: Prognostic factors of hospital-acquired pressure ulcers, 30-day and one-year mortality in geriatric patients undergoing hip fracture surgery.

Description: I collaborated to analyze and interpret results, and write several manuscripts for publication on our findings.

Co-Investigator, AOUI Verona

2019

(Unfunded study)

Title of Study: The effectiveness of the use of a polyurethane foam multilayer dressing in the sacral area, in addition to standard healthcare, to prevent the onset of pressure ulcer in patients at risk. A multicentric randomized controlled trial.

Description: I collaborate to develop the study protocol.

RESEARCH GRANTS:

2018 – 2018 Prize for Mixed Methods Research in Person Centered Healthcare for the article “Ambrosi E, Canzan F, Zenere A, Grassi M, Tardivo S, Mortari L, Saiani L, Zanolin E. Developing a new questionnaire to measure nurse caring behaviours: a mixed method study. *European Journal for Person Centered Healthcare* 2018; 6(3): 405-412. doi: 10.5750/ejpch. v6i3.”, By European Society for Person Centered Healthcare (England).

PUBLICATIONS: Peer reviewed and data-based articles
